

## Plant species present at the Santa Lucia Preserve

---

### Ferns & Fern Allies

#### AZOLLACEAE

- Large mosquito fern  
*Azolla filiculoides*

#### EQUISETACEAE

- Common horsetail  
*Equisetum arvense*
- Scouring-rush  
*Equisetum hyemale* ssp. *affine*
- Smooth scouring-rush  
*Equisetum laevigatum*
- Giant horsetail  
*Equisetum telmateia* ssp. *braunii*

#### SELAGINELLACEAE

- Bushy spike-moss  
*Selaginella bigelovii*

#### BLECHNACEAE

- Giant chain fern  
*Woodwardia fimbriata*

#### DENNSTAEDTIACEAE

- Bracken fern  
*Pteridium aquilinum* var. *pubescens*

#### DRYOPTERIDACEAE

- Lady fern  
*Athyrium filix-femina* var. *cyclosorum*
- Bladder fern, Brittle fern  
*Cystopteris fragilis*
- Coastal wood fern  
*Dryopteris arguta*
- California holly fern  
*Polystichum californicum*
- Dudley's holly fern  
*Polystichum dudleyi*
- Narrow-leaved sword fern  
*Polystichum imbricans* ssp. *curtum*
- Western sword fern  
*Polystichum munitum*

#### POLYPODIACEAE

- California polypody  
*Polypodium californicum*

#### PTERIDACEAE

- California maiden-hair  
*Adiantum jordanii*
- Five-finger fern  
*Adiantum aleuticum*
- Coffee fern  
*Pellaea andromedifolia*
- Bird's-foot fern  
*Pellaea mucronata*
- Goldenback fern  
*Pentagramma triangularis*

### Gymnosperms

#### CUPRESSACEAE

- Monterey cypress  
*Cupressus macrocarpa*

#### PINACEAE

- Ponderosa pine  
*Pinus ponderosa*
- Monterey pine  
*Pinus radiata*
- Douglas-fir  
*Pseudotsuga menziesii* var. *menziesii*

#### TAXODIACEAE

- Coast redwood  
*Sequoia sempervirens*

### Monocots

#### ALISMATACEAE

- Water plantain  
*Alisma plantago-aquatica*

#### CYPERACEAE

- Short-scaled sedge  
*Carex deweyana* ssp. *leptopoda*
- Dudley's sedge  
*Carex dudleyi*
- Round-fruited sedge  
*Carex globosa*
- Harford's sedge, Monterey sedge  
*Carex harfordii*
- Clustered field sedge  
*Carex praegracilis*
- Foothill sedge  
*Carex tumulicola*
- Tall cyperus  
*Cyperus eragrostis*
- Needle spike-rush  
*Eleocharis acicularis*
- Pale spike-rush  
*Eleocharis macrostachya*
- Small-fruited bulrush, Panicked bulrush  
*Scirpus microcarpus*

#### IRIDACEAE

- Douglas' iris  
*Iris douglasiana*
- Blue-eyed grass  
*Sisyrinchium bellum*

#### JUNCACEAE

- Baltic rush, Wire rush  
*Juncus balticus*
- Toad rush, Common toad rush  
*Juncus bufonius*
- Common rush  
*Juncus effusus* var. *brunneus*
- Common pacific rush  
*Juncus effusus* var. *pacificus*

Plant species present at the Santa Lucia Preserve

---

JUNCACEAE (continued)

- Western rush  
*Juncus occidentalis*
- Spreading rush  
*Juncus patens*
- Brown-headed rush  
*Juncus phaeocephalus* var. *phaeocephalus*
- Wrinkled rush  
*Juncus rugulosus*
- Iris-leaved rush  
*Juncus xiphioides*
- Common wood rush  
*Luzula comosa* var. *subsessilis*

JUNCAGINACEAE

- Flowering-quillwort  
*Lilaea scilloides*

LEMNACEAE

- Lesser duckweed  
*Lemna minor*

LILIACEAE

- Harvest brodiaea, Elegant brodiaea  
*Brodiaea elegans*
- Dwarf brodiaea  
*Brodiaea terrestris*
- White globe lily, Globe lily, Fairy lantern  
*Calochortus albus*
- Yellow mariposa  
*Calochortus luteus*
- Soap plant, Amole  
*Chlorogalum pomeridianum* var. *divaricatum*
- Soap plant, Amole  
*Chlorogalum pomeridianum* var. *pomeridianum*
- Blue dicks  
*Dichelostemma capitatum*
- Hooker's fairy bells, Fairy bells  
*Disporum hookeri*
- Checker lily, Mission bells  
*Fritillaria affinis*
- Leopard lily  
*Lilium pardalinum*
- Feathery false lily of the valley (False Solomon's seal)  
*Maianthemum racemosum* (*Smilacina racemosa*)
- Starry false lily of the valley (Sm. false Solomon's seal)  
*Maianthemum stellatum* (*Smilacina stellata*)
- Giant trillium  
*Trillium chloropetalum*
- Western wake robin  
*Trillium ovatum*
- White brodiaea  
*Triteleia hyacinthina*
- Pretty face  
*Triteleia ixioides*
- Our Lord's candle  
*Yucca whipplei*
- Fremont's star lily  
*Zigadenus fremontii*

ORCHIDACEAE

- Hellebore  
*Epipactis helleborine*
- Elongate rein-orchid  
*Piperia elongata*
- Michael's rein-orchid  
*Piperia michaelii*
- Transverse rein-orchid  
*Piperia transversa*
- Alaska rein-orchid  
*Piperia unalascensis*
- Hooded ladies' tresses  
*Spiranthes romanzoffiana*

POACEAE

- Western bent-grass  
*Agrostis exarata*
- Hall's bent grass  
*Agrostis hallii*
- Creeping bent, Creeping bent-grass  
*Agrostis stolonifera* var. *major*
- Creeping bent, Creeping bent-grass  
*Agrostis stolonifera* var. *palustris*
- Water bent-grass  
*Agrostis viridis*
- Silvery hair-grass  
*Aira caryophyllea*
- Slender wild oat  
*Avena barbata*
- Wild oat  
*Avena fatua*
- Large quaking-grass  
*Briza maxima*
- Small quaking-grass  
*Briza minor*
- California brome  
*Bromus carinatus*
- Ripgut grass  
*Bromus diandrus*
- Soft cheat, Soft chess  
*Bromus hordeaceus*
- Smooth brome, Hungarian brome  
*Bromus inermis* ssp. *inermis*
- Woodland brome-grass, Woodland brome  
*Bromus laevipes*
- Foxtail chess, Spanish brome  
*Bromus madritensis*
- Catapodium  
*Catapodium rigidum*
- Pampas grass  
*Cortaderia dioica*
- Bermuda grass  
*Cynodon dactylon*
- Hedgehog dogtail, Dog-tail grass  
*Cynosurus echinatus*
- California oatgrass  
*Danthonia californica*
- Tufted hairgrass, California hair-grass  
*Deschampsia caespitosa* ssp. *holciformis*
- Slender hairgrass  
*Deschampsia elongata*

Plant species present at the Santa Lucia Preserve

POACEAE (continued)

- Barnyard grass  
*Echinochloa crus-galli*
- Bottle-brush squirrel-tail  
*Elymus elymoides* ssp. *californicus*
- Blue wildrye, Western ryegrass  
*Elymus glaucus*
- Big squirreltail  
*Elymus multisetus*
- Parish's wheat-grass, Stebbins' wheat-grass  
*Elymus stebbinsii*
- California fescue  
*Festuca californica*
- Elmer's fescue  
*Festuca elmeri*
- Meadow fescue  
*Festuca pratensis*
- Nit grass  
*Gastridium ventricosum*
- Velvet grass  
*Holcus lanatus*
- Meadow barley  
*Hordeum brachyantherum*
- Mediterranean barley  
*Hordeum murinum*
- Wall barley, Barnyard foxtail  
*Hordeum murinum* ssp. *leporinum*
- Koeler's grass  
*Koeleria macrantha*
- Goldentop  
*Lamarckia aurea*
- Giant ryegrass  
*Leymus condensatus*
- Alkali ryegrass, Beardless ryegrass  
*Leymus triticoides*
- Italian ryegrass  
*Lolium multiflorum*
- Perennial ryegrass  
*Lolium perenne*
- Darnel  
*Lolium temulentum*
- Awned melic  
*Melica aristata*
- California melic  
*Melica californica*
- Small-flowered melica  
*Melica imperfecta*
- Torrey's melica  
*Melica torreyana*
- Foothill needlegrass  
*Nassella lepida*
- Purple needle grass, Nodding stipa  
*Nassella pulchra*
- Harding grass  
*Phalaris aquatica*
- California canary-grass  
*Phalaris californica*
- Annual bluegrass  
*Poa annua*
- Kentucky bluegrass  
*Poa pratensis* ssp. *pratensis*

- Pacific bluegrass  
*Poa secunda*
- Beard grass  
*Polypogon interruptus*
- Rabbitfoot grass  
*Polypogon monspeliensis*
- Tall trisetum  
*Trisetum canescens*
- Western six-weeks fescue, Foxtail fescue  
*Vulpia myuros* var. *hirsuta*
- Rat-tail fescue  
*Vulpia myuros* var. *myuros*
- Slender fescue  
*Vulpia octoflora*

Dicots

ACERACEAE

- Big-leaf maple  
*Acer macrophyllum*
- Box elder  
*Acer negundo* var. *californicum*

AMARANTHACEAE

- Prostrate amaranth  
*Amaranthus blitoides*
- California amaranth  
*Amaranthus californicus*

ANACARDIACEAE

- Poison oak  
*Toxicodendron diversilobum*

APIACEAE

- Bur-chervil  
*Anthriscus caucalis*
- Wild celery  
*Apiastrum angustifolium*
- Bowlesia  
*Bowlesia incana*
- Western water hemlock  
*Cicuta douglasii*
- Poison hemlock  
*Conium maculatum*
- Rattlesnake weed  
*Daucus pusillus*
- Fennel  
*Foeniculum vulgare*
- Cow parsnip  
*Heracleum lanatum*
- Woolly-fruited lomatium  
*Lomatium dasycarpum*
- Small-leaved lomatium  
*Lomatium parvifolium*
- Common lomatium  
*Lomatium utriculatum*
- California sweet cicely  
*Osmorhiza brachypoda*
- Mountain sweet cicely  
*Osmorhiza chilensis*
- Gairdner's yampah

Plant species present at the Santa Lucia Preserve

---

- Perideridia gairdneri*  
 APIACEAE (continued)  
 – Kellogg's yampah  
*Perideridia kelloggii*  
 – Footsteps of spring, Yellow mats  
*Sanicula arctopoides*  
 – Poison sanicle  
*Sanicula bipinnata*  
 – Purple sanicle, Shoe buttons  
*Sanicula bipinnatifida*  
 – Pacific sanicle  
*Sanicula crassicaulis*  
 – Coast sanicle  
*Sanicula laciniata*  
 – Venus' needle  
*Scandix pecten-veneris*  
 – Purple hedge-parsley  
*Torilis arvensis* ssp. *purpurea*  
 – Knotted hedge-parsley  
*Torilis nodosa*  
 – California hedge-parsley  
*Yabea microcarpa*
- APOCYNACEAE  
 – Greater periwinkle  
*Vinca major*
- ARALIACEAE  
 – Elk clover, Spikenard  
*Aralia californica*
- ASCLEPIADACEAE  
 – Round-hooded milkweed  
*Asclepias californica* ssp. *greenei*
- ASTERACEAE  
 – California yarrow  
*Achillea millefolium* ssp. *californica*  
 – Trail plant  
*Adenocaulon bicolor*  
 – Large-flowered agoseris  
*Agoseris grandiflora*  
 – Annual agoseris  
*Agoseris heterophylla*  
 – Spear-leaved agoseris  
*Agoseris retrorsa*  
 – Pearly everlasting  
*Anaphalis margaritacea*  
 – Mayweed, Stinkweed, Dog fennel  
*Anthemis cotula*  
 – Rayless arnica  
*Arnica discoidea*  
 – California sagebrush  
*Artemisia californica*  
 – Mugwort  
*Artemesia douglasiana*  
 – Terragon  
*Artemisia dracunculus*  
 – Common California aster  
*Aster chilensis*  
 – Round-leaved aster  
*Aster radulinus*  
 – Common California aster  
*Aster subspicatus*  
 – Marsh baccharis  
*Baccharis douglasii*  
 – Chaparral broom, Coyote brush  
*Baccharis pilularis* var. *consanguinea*  
 – Mule fat, Seep-willow, Water-wally  
*Baccharis salicifolia*  
 – Rosin weed  
*Calycadenia truncata*  
 – Tocalote  
*Centaurea melitensis*  
 – Cornflower, Bachelor's button  
*Centaurea cyanus*  
 – Chicory  
*Cichorium intybus*  
 – Canada thistle  
*Cirsium arvense*  
 – Peregrine thistle  
*Cirsium cymosum*  
 – Bigelow thistle, Cobweb thistle  
*Cirsium occidentale*  
 – Bull thistle  
*Cirsium vulgare*  
 – Horseweed  
*Conyza canadensis*  
 – Brass buttons  
*Cotula coronopifolia*  
 – Cut-leaved coast fireweed  
*Erechtites glomerata*  
 – Coast fireweed  
*Erechtites minima*  
 – Golden fleece  
*Ericameria arborescens*  
 – Leafy daisy  
*Erigeron foliosus* var. *foliosus*  
 – Yellow yarrow  
*Eriophyllum confertiflorum*  
 – Common woolly-sunflower  
*Eriophyllum lanatum* var. *achillaeoides*  
 – Western goldenrod  
*Euthamia occidentalis*  
 – California cudweed  
*Gnaphalium californicum*  
 – White everlasting  
*Gnaphalium canescens* ssp. *microcephalum*  
 – Lowland cudweed  
*Gnaphalium palustre*  
 – Wandering cudweed  
*Gnaphalium purpureum*  
 – Pink everlasting  
*Gnaphalium ramosissimum*  
 – Cotton-batting plant  
*Gnaphalium stramineum*  
 – Great valley grindelia, Great valley gumplant  
*Grindelia camporum*  
 – Saw-toothed goldenbush  
*Hazardia squarrosa* var. *squarrosa*  
 – Sneezeweed  
*Helenium puberulum*  
 – Coast tarweed

Plant species present at the Santa Lucia Preserve

- Hemizonia corymbosa* ssp. *corymbosa*
- ASTERACEAE (continued)
- Erect evax
  - *Hesperervax sparsiflora*
  - Camphor-scented golden-aster
  - *Heterotheca camporum*
  - Telegraph weed
  - *Heterotheca grandiflora*
  - White-flowered hawkweed
  - *Hieracium albiflorum*
  - Smooth cat's-ear
  - *Hypochoeris glabra*
  - Hairy cat's-ear
  - *Hypochoeris radicata*
  - Desert isocoma
  - *Isocoma acradenia* var. *bracteosa*
  - Willow lettuce
  - *Lactuca saligna*
  - Prickly lettuce
  - *Lactuca serriola*
  - Common hareleaf
  - *Lagophylla ramosissima*
  - White layia
  - *Layia glandulosa*
  - Common California aster, Calif. beach-aster
  - *Lessingia filaginifolia* var. *filaginifolia*
  - Narrow-leaved logfia
  - *Logfia gallica*
  - Common madia
  - *Madia elegans* ssp. *densifolia*
  - Threadstem madia, Small tarweed
  - *Madia exigua*
  - Slender tarweed
  - *Madia gracilis*
  - Woodland madia
  - *Madia madioides*
  - Coast tarweed
  - *Madia sativa*
  - Slender cottonweed
  - *Micropus californicus*
  - Douglas's microseris
  - *Microseris douglasii* ssp. *douglasii*
  - Tiny pentachaeta
  - *Pentachaeta alsinoides*
  - Meager pentachaeta
  - *Pentachaeta exilis*
  - Coltsfoot
  - *Petasites frigidus* var. *palmatus*
  - Bristly ox-tongue
  - *Picris echioides*
  - Slender woolly heads
  - *Psilocarphus tenellus* var. *tenellus*
  - California chicory
  - *Rafinesquia californica*
  - Milk thistle
  - *Silybum marianum*
  - California goldenrod
  - *Solidago californica*
  - Carrot-leaved soliva, Common soliva
  - *Solvia sessilis*
  - Prickly sow thistle
  - *Sonchus asper* ssp. *asper*
  - Common sow thistle
  - *Sonchus oleraceus*
  - Small stephanomeria
  - *Stephanomeria exigua* var. *coronaria*
  - Tall stephanomeria
  - *Stephanomeria virgata* ssp. *pleurocarpa*
  - Everlasting nest straw, Everlasting stylocline
  - *Stylocline gnaphalioides*
  - Coastal nest straw
  - *Stylocline* sp. nov.
  - Common dandelion
  - *Taraxacum officinale*
  - Silver Puffs
  - *Uropappus lindleyi*
  - Gray mule ears
  - *Wyethia helenioides*
  - Spiny cocklebur, Spiny clotbur
  - *Xanthium spinosum*
- BERBERIDACEAE
- California mahonia
  - *Berberis* sp.
- BETULACEAE
- White alder
  - *Alnus rhombifolia*
- BORAGINACEAE
- Harvest fireweed, Rancher's fire-weed
  - *Amsinckia menziesii*
  - Common fiddleneck
  - *Amsinckia menziesii* var. *intermedia*
  - Cleveland's cryptantha
  - *Cryptantha clevelandii*
  - Coast range cryptantha
  - *Cryptantha decipiens*
  - Flaccid cryptantha
  - *Cryptantha flaccida*
  - Common cryptantha
  - *Cryptantha intermedia*
  - Minute-flowered cryptantha
  - *Cryptantha micromeres*
  - Tejon cryptantha
  - *Cryptantha microstachys*
  - Prickly cryptantha
  - *Cryptantha muricata*
  - Wood forget-me-not
  - *Myosotis sylvatica*
  - Valley popcorn flower
  - *Plagiobothrys canescens*
  - Rusty popcorn flower
  - *Plagiobothrys nothofulvus*
  - Hickman's allocarya
  - *Plagiobothrys* sp.
  - Slender popcorn flower
  - *Plagiobothrys tenellus*
- BRASSICACEAE
- Tower mustard
  - *Arabis glabra*
  - Shepherd's purse, Medic

Plant species present at the Santa Lucia Preserve

- Capsella bursa-pastoris*  
BRASSICACEAE (continued)
- California toothwort
  - *Cardamine californica*
  - Bitter cress, Few-seeded bitter-cress
  - *Cardamine oligosperma*
  - Heart-podded hoary cress, Hoary cress
  - *Cardaria draba*
  - Mediterranean mustard, Summer mustard
  - *Hirschfeldia incana*
  - Shining pepper-grass
  - *Lepidium nitidum* var. *insigne*
  - Radish, Wild radish
  - *Raphanus sativus*
  - Western yellow-cress
  - *Rorippa curvisiliqua*
  - Water-cress
  - *Rorippa nasturtium-aquaticum*
  - Hedge mustard
  - *Sisymbrium officinale*
  - Hairy fringe pod
  - *Thysanocarpus curvipes*
  - Narrow-leaved fringe pod
  - *Thysanocarpus laciniatus*
  - Slender tropidocarpum, Dobie pod
  - *Tropidocarpum gracile*
- CALLITRICHACEAE
- Vernal water-starwort
  - *Callitriche heterophylla* var. *heterophylla*
- CAMPANULACEAE
- Common blue-cup
  - *Githopsis specularioides*
  - Heterocodon
  - *Heterocodon rariflorum*
- CAPRIFOLIACEAE
- Hairy honeysuckle
  - *Lonicera hispidula* var. *vacillans*
  - Ledebour's twin-berry
  - *Lonicera ledebourii*
  - Blue elderberry
  - *Sambucus mexicana*
  - Common snowberry
  - *Symphoricarpos albus* var. *laevigatus*
  - Creeping snowberry
  - *Symphoricarpos mollis*
- CARYOPHYLLACEAE
- Sand mat
  - *Cardionema ramosissimum*
  - Dwarf pearlwort, Sticky pearlwort
  - *Sagina apetala*
  - Western pearlwort
  - *Sagina decumbens* ssp. *occidentalis*
  - California indian pink
  - *Silene californica*
  - Common catchfly, Windmill pink
  - *Silene gallica*
  - Spurry
- Spergula arvensis* ssp. *arvensis*
- Purple sand spurry
  - *Spergularia rubra*
  - Common chickweed
  - *Stellaria media*
  - Shining chickweed
  - *Stellaria nitens*
- CERATOPHYLLACEAE
- Hornwort
  - *Ceratophyllum demersum*
- CHENOPODIACEAE
- Lamb's quarters, White goosefoot
  - *Chenopodium album*
  - Mexican tea
  - *Chenopodium ambrosioides*
  - California goosefoot, Soap plant
  - *Chenopodium californicum*
- CISTACEAE
- Rush-rose
  - *Helianthemum scoparium*
- CONVOLVULACEAE
- Coast morning-glory
  - *Calystegia macrostegia* ssp. *cyclostegia*
  - Western morning-glory
  - *Calystegia occidentalis*
  - Bindweed, Orchard morning-glory
  - *Convolvulus arvensis*
- CORNACEAE
- Western red dogwood
  - *Cornus sericea* ssp. *occidentalis*
- CRASSULACEAE
- Sand pigmy-weed
  - *Crassula erecta*
  - Cymose dudleya, Spreading dudleya
  - *Dudleya cymosa*
- CUSCUTACEAE
- Western dodder
  - *Cuscuta californica* var. *breviflora*
  - California dodder
  - *Cuscuta californica* var. *californica*
- CUCURBITACEAE
- Calabazilla
  - *Curcubita foetidissima*
  - California man-root, Foothill man-root
  - *Marah fabaceus* var. *agrestis*
  - California man-root
  - *Marah fabaceus* var. *fabaceus*
- DATISCAEAE
- Durango root
  - *Datisca glomerata*

Plant species present at the Santa Lucia Preserve

ELATINACEAE

- Waterwort
- *Elatine brachysperma*
- California Waterwort
- *Elatine californica*

ERICACEAE

- Pacific madrone
- *Arbutus menziesii*
- Shaggy-barked manzanita
- *Arctostaphylos setigerus*
- Shaggy-barked manzanita
- *Arctostaphylos tormentosa*
- Salal
- *Gaultheria shallon*
- California huckleberry, Evergreen huckleberry
- *Vaccinium ovatum*

EUPHORBIACEAE

- Spotted spurge, Large spurge
- *Chamaesyce maculata*
- Thyme-leaved spurge
- *Chamaesyce serpyllifolia*
- Turkey mullein, Dove weed
- *Eremocarpus setigerus*
- Reticulate-seeded spurge
- *Euphorbia spathulata*

FABACEAE

- Gambell's dwarf locoweed
- *Astragalus gambelianus*
- Common pacific pea
- *Lathyrus vestitus* var. *vestitus*
- Bentham's hosackia, Bentham's lotus
- *Lotus benthamii*
- Birdfoot trefoil
- *Lotus corniculatus*
- Rush hosackia, Rush lotus
- *Lotus junceus* var. *junceus*
- Small-flowered hosackia, Small-flowered lotus
- *Lotus micranthus*
- Spanish clover
- *Lotus purshianus* var. *purshianus*
- California broom, Deerweed
- *Lotus scoparius*
- Strigose hosackia, Bishop's lotus
- *Lotus strigosus*
- Chile hosackia
- *Lotus subpinnatus*
- White-foliaged lupine, Silver bush lupine
- *Lupinus albifrons* var. *albifrons*
- Yellow bush lupine, Tree lupine
- *Lupinus arboreus*
- Miniature lupine
- *Lupinus bicolor* ssp. *pipersmithii*
- Miniature lupine
- *Lupinus bicolor* ssp. *trifidus*
- Concinnous annual lupine
- *Lupinus concinnus*
- Stinging lupine
- *Lupinus hirsutissimus*

- Broad-leaved Lupine
- *Lupinus latifolius*
- Douglas' annual lupine, Sky lupine
- *Lupinus nanus*
- Black medic, Yellow trefoil
- *Medicago lupulina*
- California burclover, Bur-clover
- *Medicago polymorpha*
- White sweetclover
- *Melilotus alba*
- Chaparral pea
- *Pickeringia montana*
- Black locust
- *Robinia pseudoacacia*
- California tea
- *Rupertia physodes*
- Bifid-leaved clover, Notch-leaved pinole clover
- *Trifolium bifidum*
- Tree clover
- *Trifolium ciliolatum*
- Little hop clover, Shamrock
- *Trifolium dubium*
- Strawberry clover
- *Trifolium fragiferum*
- Dwarf sack clover, Pin-point clover
- *Trifolium gracilentum*
- Rose clover
- *Trifolium hirtum*
- Small-headed clover, Variegate clover
- *Trifolium microcephalum*
- Creek Clover
- *Trifolium obtusiflorum*
- White clover
- *Trifolium repens*
- Subterranean clover
- *Trifolium subterraneum*
- Variegate clover, White-tipped clover
- *Trifolium variegatum*
- Tomcat clover
- *Trofolium willdenovii*
- Cow clover
- *Trifolium wormskioldii*
- American vetch
- *Vicia americana* var. *americana*
- Giant vetch
- *Vicia gigantea*
- Spring vetch
- *Vicia sativa*

FAGACEAE

- Giant Chinquapin
- *Chrysolepis chrysophylla*
- Tanoak
- *Lithocarpus densiflorus*
- Coast live oak, Encina
- *Quercus agrifolia*
- Alvord's oak, Blue oak
- *Quercus douglasii* X *Q. john-tuckeri*
- Chase's oak
- *Quercus* X *chasei*
- Maul oak, Canyon live oak, Golden cup oak
- *Quercus chrysolepis*

## Plant species present at the Santa Lucia Preserve

---

### FAGACEAE (continued)

- Blue oak  
*Quercus douglasii*
- California scrub oak, Nuttall's scrub oak  
*Quercus dumosa*
- California black oak, Kellogg's oak  
*Quercus kelloggii*
- Valley oak, Roble  
*Quercus lobata*
- Interior Oak, Sierra live oak  
*Quercus wislizenii*
- Interior oak, Shrubby Sierra live oak  
*Quercus wislizenii* var. *frutescens*

### GARRYACEAE

- Coast silk-tassel  
*Garrya elliptica*

### GENTIANACEAE

- Davy's centaury  
*Centaureum davyi*

### GERANIACEAE

- Long-beaked filaree  
*Erodium botrys*
- Red-stemmed filaree  
*Erodium cicutarium* ssp. *jacquinianum*
- Red-stemmed filaree  
*Erodium cicutarium* ssp. *publiferum*
- White-stemmed filaree  
*Erodium moschatum*
- Cut-leaved geranium  
*Geranium dissectum*
- Dove's-foot geranium  
*Geranium molle*

### GROSSULARIACEAE

- Straggly gooseberry  
*Ribes divaricatum* var. *publiferum*
- Red flowering currant, Pink flowering currant  
*Ribes sanguineum* var. *glutinosum*
- Fuchsia-flowered gooseberry  
*Ribes speciosum*

### HIPPOCASTANACEAE

- California buckeye  
*Aesculus californica*

### HYDROPHYLLACEAE

- California yerba santa  
*Eriodictyon californicum*
- Baby blue-eyes  
*Nemophila menziesii*
- Small-flowered nemophila  
*Nemophila parviflora*
- Meadow nemophila  
*Nemophila pedunculata*
- Common phacelia, Wild heliotrope  
*Phacelia distans*
- Silverleaf phacelia  
*Phacelia hastata*

- Imbricate phacelia  
*Phacelia imbricata*
- Stinging phacelia  
*Phacelia malvifolia*
- Shade phacelia  
*Phacelia nemoralis*
- Tansy phacelia  
*Phacelia tanacetifolia*
- Common fiesta-flower  
*Pholistoma auritum*

### JUGLANDACEAE

- California black walnut  
*Juglans californica*

### LAMIACEAE

- Common henbit, Giraffe head  
*Lamium amplexicaule*
- Pitcher sage  
*Lepechinia calycina*
- Common horehound  
*Marrubium vulgare*
- Pennyroyal  
*Mentha pulegium*
- Coyote-mint  
*Monardella villosa* ssp. *villosa*
- Chia  
*Salvia columbariae*
- Black sage  
*Salvia mellifera*
- Yerba buena  
*Satureja douglasii*
- Dannie's skullcap  
*Scutellaria tuberosa*
- California hedge nettle, Wood mint  
*Stachys bullata*
- Short-spiked hedge nettle  
*Stachys pycnantha*
- Vinegar weed  
*Trichostema lanceolatum*

### LAURACEAE

- California bay  
*Umbellularia californica*

### LIMNANTHACEAE

- Common meadowfoam  
*Limnanthes douglasii* ssp. *douglasii*

### LINACEAE

- Common flax  
*Linum usitatissimum*

### LYTHRACEAE

- Hyssop loosestrife, Grass poly  
*Lythrum hyssopifolium*

### MALVACEAE

- Common mallow, Cheeses  
*Malva neglecta*

## Plant species present at the Santa Lucia Preserve

---

### MYRTACEAE

- Blue gum  
*Eucalyptus globulus*

### ONAGRACEAE

- Contorted primrose  
*Camissonia contorta*
- Intermediate primrose  
*Camissonia intermedia*
- Small primrose  
*Camissonia micrantha*
- Sun cup, Golden eggs  
*Camissonia ovata*
- Common clarkia, Godetia  
*Clarkia affinis*
- Botta's godetia  
*Clarkia lewisii*
- Modest godetia, Waltham Creek fairyfan  
*Clarkia modesta*
- Purple godetia, Winecup clarkia, Purple clarkia  
*Clarkia purpurea* ssp. *purpurea*
- Elegant clarkia, Canyon clarkia  
*Clarkia unguiculata*
- Panicked willow-herb  
*Epilobium brachycarpum*
- California fuchsia  
*Epilobium canum* ssp. *mexicana*
- Common willow-herb, California willow-herb  
*Epilobium ciliatum*
- Dense boisduvalia, Dense-flowered boisduvalia  
*Epilobium densiflorum*
- Minute willow-herb  
*Epilobium minutum*

### OROBANCHACEAE

- Naked broom-rape  
*Orobanche uniflora*

### OXALIDACEAE

- Creeping wood-sorrel, Yellow sorrel  
*Oxalis corniculata*
- Lax wood-sorrel  
*Oxalis laxa*
- Redwood sorrel  
*Oxalis oregano*
- Bermuda buttercup  
*Oxalis pes-caprae*

### PAPAVERACEAE

- Bush poppy  
*Dendromecon rigida*
- Tufted poppy  
*Eschscholtzia caespitosa*
- California poppy  
*Eschscholtzia californica*
- Lemmon's poppy  
*Eschscholtzia lemmonii*
- Cream cups  
*Platystemon californicus*

### PLANTAGINACEAE

- California plantain  
*Plantago erecta*
- English plantain, Ribwort  
*Plantago lanceolata*
- Common plantain  
*Plantago major*

### PLANTANACEAE

- Western sycamore, Sycamore  
*Platanus racemosa*

### POLEMONIACEAE

- Straggling gilia  
*Allophyllum gilioides*
- Large-flowered collomia  
*Collomia grandiflora*
- Varied-leaved collomia  
*Collomia heterophylla*
- Virgate eriastrum  
*Eriastrum virgatum*
- Common linanthus  
*Linanthus androsaceus* ssp. *luteus*
- Common linanthus  
*Linanthus androsaceus* ssp. *micranthus*
- Bicolored linanthus  
*Linanthus bicolor*
- Whisker brush  
*Linanthus ciliatus*
- Holly-leaved navarretia  
*Navarretia atractyloides*
- Honey-scented navarretia  
*Navarretia mellita*
- Skunkweed  
*Navarretia squarrosa*
- Slender phlox  
*Phlox gracilis*

### POLYGONACEAE

- Diffuse spine-flower  
*Chorizanthe diffusa*
- Douglas' spineflower  
*Chorizanthe douglasii*
- Pink spineflower  
*Chorizanthe membranacea*
- Turkish rugging  
*Chorizanthe staticoides*
- Xanthus' spineflower  
*Chorizanthe xantii*
- Elegant wild-buckwheat, Elegant buckwheat  
*Eriogonum elegans*
- Long-stemmed wild-buckwheat  
*Eriogonum elongatum* var. *elongatum*
- California buckwheat brush  
*Eriogonum fasciculatum* var. *polifolium*
- Pinnacles buckwheat, Norton's buckwheat  
*Eriogonum nortonii*
- Tibinagua, Naked buckwheat  
*Eriogonum nudum* var. *auriculatum*
- Naked-stemmed wild-buckwheat  
*Eriogonum nudum* var. *nudum*

Plant species present at the Santa Lucia Preserve

POLYGONACEAE (continued)

- Small-leaved wild-buckwheat, Dune buckwheat  
*Eriogonum parvifolium*
- California Milkwort  
*Polygala californica*
- Kelp, Swamp knotweed  
*Polygonum amphibium* var. *emersum*
- Common knotweed, Doorweed  
*Polygonum arenastrum*
- Mild waterpepper, Water-pepper  
*Polygonum hydropiperoides*
- Pterostegia  
*Pterostegia drymarioides*
- Sheep sorrel  
*Rumex acetosella*
- Clustered dock, Green dock  
*Rumex conglomeratus*
- Curly dock  
*Rumex crispus*
- Fiddle dock  
*Rumex pulcher*
- Willow dock  
*Rumex salicifolius*

PORTULACACEAE

- Red Maids  
*Calandrinia ciliata*
- Common claytonia  
*Claytonia exigua*
- Small-flowered claytonia  
*Claytonia parviflora*
- Miner's lettuce  
*Claytonia perfoliata* ssp. *perfoliata*
- Water chickweed  
*Montia minor*
- Small-leaved montia  
*Montia parvifolia*

PRIMULACEAE

- Poor-man's weatherglass, Scarlet pimpernel  
*Anagallis arvensis*
- False pimpernel, Chaffweed  
*Centunculus minimus*
- Padres' shooting star  
*Dodecatheon clevelandii* ssp. *sanctarum*
- Mosquito bills, Henderson's shooting star  
*Dodecatheon hendersonii*
- Star flower  
*Trientalis latifolia*

RANUNCULACEAE

- Baneberry  
*Actaea rubra* ssp. *ilicifolia*
- Baneberry  
*Actaea rubra* ssp. *arguta*
- Northwest crimson columbine  
*Aquilegia formosa* var. *hypolasia*
- Virgin's bower, Yerba de Chiva  
*Clematis ligusticifolia*
- Coast larkspur  
*Delphinium decorum*

- Hutchinson's larkspur  
*Delphinium hutchinsoniae*
- Water buttercup  
*Ranunculus aquatilis* var. *hispidulus*
- California buttercup  
*Ranunculus californicus*
- Pubescent-fruited buttercup, Downy buttercup  
*Ranunculus hebecarpus*
- Fendler's meadow-rue  
*Thalictrum fendleri*

RHAMNACEAE

- Coast ceanothus  
*Ceanothus cuneatus* var. *fascicularis*
- Jim brush  
*Ceanothus oliganthus* var. *sorediatus*
- Wartleaf Ceanothus, Warty-leaved Ceanothus  
*Ceanothus papillosus* var. *papillosus*
- Blue blossom  
*Ceanothus thyrsiflorus*
- California coffeeberry  
*Rhamnus californica* ssp. *californica*
- Spiny redberry, Redberry  
*Rhamnus crocea*
- Holly-leaf redberry, Holly-leaved redberry  
*Rhamnus ilicifolia*

ROSACEAE

- California achaea  
*Acaena pinnatifida* var. *californica*
- Chamise  
*Adenostoma fasciculatum*
- Western lady's mantle  
*Aphanes arvensis*
- Cotoneaster  
*Cotoneaster pannosa*
- Beach strawberry  
*Fragaria chiloensis*
- Wood strawberry  
*Fragaria vesca*
- Toyon  
*Heteromeles arbutifolia*
- Oceanspray, Cream bush  
*Holodiscus discolor*
- California horkelia  
*Horkelia californica*
- Oso berry  
*Oemleria cerasiformis*
- Pacific ninebark  
*Physocarpus capitatus*
- Sticky cinquefoil  
*Potentilla glandulosa*
- Bitter cherry  
*Prunus emarginata*
- Holly-leaved cherry  
*Prunus ilicifolia*
- Western choke-cherry  
*Prunus virginiana* var. *demissa*
- Wood rose  
*Rosa gymnocarpa*
- Thimbleberry  
*Rubus parviflorus*

Plant species present at the Santa Lucia Preserve

---

ROSACEAE (continued)

- California blackberry  
*Rubus ursinus*
- Great burnet  
*Sanguisorba minor* ssp. *Muricata*

RUBIACEAE

- Narrow-leaved bedstraw  
*Galium angustifolium*
- Goose grass  
*Galium aparine*
- California bedstraw  
*Galium californicum*
- Wall bedstraw  
*Galium parisiense*
- Climbing bedstraw  
*Galium porrigens* var. *porrigens*
- Climbing bedstraw  
*Galium porrigens* var. *tenuis*
- Sweet-scented bedstraw  
*Galium triflorum*
- Field madder  
*Sherardia arvensis*

SALICACEAE

- Black cottonwood  
*Populus balsamifera* ssp. *trichocarpa*
- Arroyo willow  
*Salix lasiolepis*
- Shining willow, Yellow willow  
*Salix lucida* ssp. *lasiandra*

SAXIFRAGACEAE

- Small-flowered alum root  
*Heuchera micrantha* var. *hartwegii*
- Woodland star  
*Lithophragma affine*
- Hill star  
*Lithophragma heterophyllum*
- California saxifrage  
*Saxifraga californica*

SCROPHULARIACEAE

- Withered snapdragon, Sticky snapdragon  
*Antirrhinum multiflorum*
- Coast paintbrush  
*Castilleja affinis*
- Martin's Indian paintbrush  
*Castilleja angustifolia*
- Owl's clover  
*Castilleja densiflora* ssp. *densiflora*
- Owl's clover  
*Castilleja densiflora* ssp. *gracilis*
- Escobita  
*Castilleja exserta*
- Woolly Indian paintbrush  
*Castilleja foliolosa*
- Chinese houses  
*Collinsia heterophylla*
- Stiffly-branched bird's-beak, Bird's-beak  
*Cordylanthus rigidus* ssp. *rigidus*

- Purple Foxglove  
*Digitalis purpurea*
- Round-leaved fluellin  
*Kickxia spuria*
- Northern mudwort  
*Limosella aquatica*
- Orange bush monkey-flower,  
*Mimulus aurantiacus*
- Bolander's monkey-flower  
*Mimulus bolanderi*
- Scarlet monkey-flower  
*Mimulus cardinalis*
- Floriferous monkey-flower  
*Mimulus floribundus*
- Common monkey-flower  
*Mimulus guttatus* ssp. *guttatus*
- Rattan's monkey-flower  
*Mimulus rattanii*
- Indian warrior  
*Pedicularis densiflora*
- Foothill penstemon, Chaparral penstemon  
*Penstemon heterophyllus*
- Bee plant  
*Scrophularia californica* ssp. *californica*
- Dwarf orthocarpus, Dwarf owl's clover  
*Triphysaria pusilla*
- Woolley mullein  
*Verbascum thapsus*
- Water speedwell, Great water speedwell  
*Veronica anagallis-aquatica*
- Thyme-leaved speedwell  
*Veronica serpyllifolia* ssp. *humifusa*

SOLANACEAE

- Many-flowered tobacco  
*Nicotiana acuminata* var. *multiflora*
- Indian tobacco  
*Nicotiana quadrivalvis*
- Small-flowered nightshade  
*Solanum americanum*
- Blue Witch  
*Solanum umbelliferum* var. *incanum*

URTICACEAE

- Western nettle  
*Hesperocnide tenella*
- Hoary nettle  
*Urtica dioica* var. *holosericea*

VERBENACEAE

- Bracted vervain  
*Verbena bracteata*
- Western verbena, Western vervain  
*Verbena lasiostachys*

VIOLACEAE

- Johnny-jump-up  
*Viola pedunculata*
- Evergreen violet, Redwood violet  
*Viola sempervirens*

## Plant species present at the Santa Lucia Preserve

---

### VISCACEAE

- Oak mistletoe  
*Phoradendron villosum*

### VITACEAE

- California wild grape  
*Vitis californica*
